## EXPERIENCE

**Trustrace | UX Designer** Stockholm, SE / Jul 2025 - Present

- Lead UX design for an AI-powered SaaS platform that helps companies improve productivity and meet sustainability compliance requirements.
- Partner with Product, Engineering, and Sales to develop AI-driven product development workflows that improve efficiency and collaboration.
- Lead end-to-end design projects while mentoring UX designers.
- Drive the design system initiative to ensure consistency, scalability, and design quality across the product.

**Polestar | UX Designer, co-op** Gothenburg, SE / Jan 2024 - Jul 2024

- Designed human-centered in-car experiences promoting user well-being.
- Delivered thorough user research, design specs, and high-fidelity prototypes, contributing to strategic design roadmaps for next-gen EVs.
- Collaborated cross-functionally with product teams to ensure technical feasibility and user needs alignment.

**Google | UX Designer, internship** London, UK / Jun 2023 - Sep 2023

- Led two major projects enhancing YouTube shopping experiences and contributing to YouTube & Google's broader design systems.
- Produced high-fidelity prototypes and design artifacts that supported cross-functional alignment and informed strategic design directions.
- Facilitated XFN design workshops and collaborated with UX researchers to conduct research and translate insights into design improvements.

**WooltariUSA | UI/UX Designer** Seoul, KR / Feb 2021 - Mar 2022

- Led end-to-end design for multilingual e-commerce platform (+261% revenue, +60% user registration).
- Led A/B testing initiatives to optimize the user experience, leading to a 21% decrease in bounce rate and 17.8% increase in returning customers.
- Partnered with developers for WCAG-compliant, scalable designs and performed front-end optimizations using HTML, CSS, and JavaScript.

**S-SHO | UX Designer** Seoul, KR / Jul 2019 - Jun 2021

- Led design team of 5 on end-to-end design for two digital commerce platforms, driving early user acquisition and platform growth.
